SOLUTION**

GBS Waterproofing Solution

WE DEVELOP QUALITY & ADDED VALUE
A NETWORK OF TECHNICIANS, CONSULTANTS
AND SALE AGENTS AT YOUR SERVICE

Our aim is to ensure that your work is guaranteed success and finished to highest quality. For this purpose, we offer the services of our expert team to assist and advise you on the best solution for all of your projects.

Our sales network is always available to help you and we will appoint a personal representative qualified to give specific advice at any time.

INTRODUCTION

ABOUT US:

Company Name: Global Business Solution
Sale & Reg. Office: Room No. 311, Nawabpur Tower Market, 198-202, Nawabpur Road, Dhaka.
Contant No: 88-02-57164405, Mobile: 01916822106
Email: wahidobs@gmail.com web side: www.globalbusinessbd.com

Proprietor: Md. Wahidur Nobi

Main Contact Person:

Mr. TAUHIÐUL ISLAM (Accounts & Admin) 01717334902, 01613239090 email: tauhiqgbs@gmail.com
Md. Aseef Ul Karim (Shuvo) – (Marketing Manager) 019175062384 email: shuvogbs@gmail.com
Imrul Hassan Sajal (Manager Project) 01613239083 email: imrulgbs@gmail.com

Main Business: All Kind of waterproofing material , Construction Chemical, Industrial Waterproofing.

Year of Establishment : 2004

Trade License No : 19380138214

Tin No: 193830138214 BNN No : 000322851

Bank: Islam Bank Ltd, Ab Bank, IFIC bank, Jumana Bank, City Bank.

ManPower: Admin & Accounts: 05, Marketing & admin: 10 , Application team:30.

Global Business Solution specializes in Import of various kinds of products and technologies. Being a dynamic organization, it has increased its business to a very high altitude. As the principle objective is to satisfy the customer, it has spread its business in most of the district of Bangladesh as well as neighboring countries, on the strength of its high quality and service.

GLOBAL BUSINESS SOLUTION SUCCESS FROM THE EFFORTS OF AN EXCELLENT TEAM OF EXPERIENCED PROFESSIONALS, A MODERN COMMUNICATION NETWORK AND MANAGEMENT CULTURE, WHICH BELIEVES IN GIVING EXCELLENT SERVICE TO THE HONORABLE CUSTOMERS.

BUILDING YOUR DREAM

FLOOR SYSTEMS

Polyurethane Concrete

Floor Topping

Heavy duty Polyurethane concrete industrial resin floor topping which provides excellent mechanical, thermal and chemical resistance.

Its durable, uniform and seamless & slip resistant and can be installed in every type of industry including kitchen, cold storage, warehouse etc.

Foot and vehicle traffic can be allowed after 24 hours of application.

Easy to clean and maintain.

MMA

Floor Topping

Methyl Methacrylate resin floor toppings are developed to enable fast track installations and can be applied in extreme cold and hot climatic conditions

Rapid installation and fast curing.

Can be overlaid onto existing ceramic tiles, marble, granite, terrazzo and timer floors

Hard wearing, high scratch and chemical resistance.

Easy to clean and maintain.

Polyurethane

Floor Topping

Medium duty self-smoothing resilient system which provides tough scratch resistant floor for use on substrates subject to vibration and dynamic forces.

Antistatic floor topping version for Pharma, electronics or solvent expose areas.

Easy to clean and maintain.

Non-tainting and non-dusting.

Good chemical resistance.

Epoxy

Floor Topping

Self-smoothing, solvent free floor topping system to protect from common chemicals.

Vibrant and Glossy floor topping for commercial and industrial floors.

Suitable for Pharmaceutical & other medical laboratory/ clean rooms.

FLOOR SYSTEMS

Commercial/ Comfort

Floor Topping

Decorative sound deadening seamless PU flooring systems that create the most comfortable solution in the market of liquid applied flooring systems.

Deadens impact noise by -16dB to -20dB.

Improves acoustics

Durable and Hard wearing system.

Low maintenance cost.

Alternate to Carpet flooring with patterns.

Cementitious

Self Leveling Floor Topping

Self-smoothing, cementitious floor underlayment which will be covered by resin overlays, carpet, vinyl, ceramic tiles or natural stone.

Highly fluid and pumpable for fast installation.

Rapid strength gain for fast installation of floor coverings.

Return to service in 24 Hours.

Car Park Deck

Coatings

Aesthetic but Performance oriented floor topping which protects the substrate from abrasion, resistance to slip&prevents oil penetration.

Excellent chemical resistance to engine oil and battery acids Fast track installation Excellent bond strength

Hardscape

Flooring

Stamped concrete flooring is an aesthetic, durable, high abrasion resistant flooring which provides a broad choice of patterns such as random stone, brick, coble stone, granite, ashler stone etc suitable for driveways and pathways.

Monolithic finish eliminating joints compared to pavers & tiles.

Low maintenance cost.

Broadchoice of patterns and colors.

Quick installation.

WATERPROOFING

Two Component Spray / Roller Applied Polyurethane

Two component spray/ roller applied Polyurethane system is liquid applied, crack bridging, elastomeric coating which can bond with various types of building materials such as concrete, clay tile, china mosaic, glass mosaic, mild steel, PVC etc.

Crack bridging capacity upto 5mm width

Rapid installation and fast setting

Monolithic and fully bonded

Solvent and monomeric isocyanate free

Suitable for contact with potable water

Preformed Membrane waterproofing system

Synthetic membranes obtained by co-extrusion which can be mechanically fixed or fully bonded with adhesives

Extremely high resistance to weathering and UV rays. High mechanical properties and resistance to puncturing

Double seam welding which allows pressure testing of joints. Long life expectancy. Non-toxic and ecological

Compatible with insulation systems. Resistance to root penetration. Loose laid to act independently of structural movement

WATERPROOFING

Acrylic Based Mastic

System for Wet Areas

Single component, flexible, mastic waterproofing system for wet areas like shower, bathroom

Can be applied over plaster surface, gypsum fibre board, wooden chipboard etc

Flexible, compensates tensions, deformations of substrate

Good crack bridging capacity

Eliminates traditional coving by replacing with special fleece-lined rubber tape

Pitch Modified Polyurethane

Liquid applied Polyurethane based elastomeric coating for roof and podium slabs

Excellent adhesion to concrete and fully bonded system

Bitumen based coating to build required thickness in single coat

Easy to apply

Monolithic with no laps and welds

PROTECTIVE COATINGS

Elastomeric coatings

for residential and commercial buildings

Water based, aliphatic acrylic, crack bridging, elastomeric, protective cum waterproof coating for concrete and masonry structures

Anti-Carbonation and Sulphate coating

UV Resistant

Resists dirt pickup and growth of fungus

Copes with thermal movement of buildings

Coating is washable with excellent durability

Waterproofing cum Protective Coating

Waterproofing cum Protective coatings for OHT, UG sump, STP&ETP structures.

Hand application by roller or brush

Monolithic membrane

Waterproof and resistant to standing water

Moisture tolerant

High resistance to carbon dioxide diffusion

High abrasion and impact resistance

Tough but flexible and crack bridging

High durability

WATERTIGHT INJECTION SYSTEMS

Epoxy Injection System

Low viscous epoxy resin to stabilise the cracks in structural members

Densifying the void space

Bonding of steel plates to concrete

Rapid structural repair of concrete

Grouting of dowels

Low VOC & non-shrink

Polyurethane Injection Foam System

Highly reactive Polyurethane injection foam to stop low, medium & high volume water ingress

Forms a rigid foam when in contact with water

EXPANSION JOINT SYSTEMS

Elastomeric Polyurethane Mortar

Polyurethane with speciality aggregate which bonds the expansion joint to the deck
Absorbs traffic impact loads and evenly disperses them to the deck

Rapid installation

Bonds to concrete, steel and aluminium surfaces

Prevents edge breaking of deck

Sealing Tape

for irregular and unconventional joints

Highly elastic, rot-proof and chemically resistant sealing membrane

Durable, Rot resistant, long lasting elasticity

Easy to apply

Can be applied horizontally, vertically & even overhead

GBS-IN Expro

SOME OF OUR PROJECTS

GOVERNMENT UTTARA HOUSING PROJECT

N. Mohammed Spening Mill

SAUDI EMBASSY DHAKA PROJECT

Dhaka City corporation Ujirpur, karinigong.

Government Housing Mirpur, Kalshi, Project.

Our project :

1. Rampal Power plant under NS construction
2. World Bank, Bangladesh 37800 sft
3. Bangabandu Military Museum, Bejoy Sharoni, Dhaka.
4. Incepta Pharmaceuticals Ltd, Zirabo, Shavar.
5. Concord – SMC tower project
6. Desh Unnayan Itd, - Uttara Apartment building Project.
7. Pcp-Dhankhali Union, Londa Kheya Ghat, Kolapara, Payra, Potuakhali
8. MHB-Manikgonj Hospital Building, Gorpara, Manikgonj.
9. Imperial Hospital,Chittagong
10. Rajuk uttara apartment Building Project, Uttara, Dhaka.
11. PWD wood workshop Cumpus, Mirpur -6, Dhaka.
12. Khulna Combine Cycle, Khalispur, Khulna- 80,000sft
13. Franco Germa Enmbass Park R oad Natu Bazar, Baridha Dhaka- 5000 sft.
14. Muktishoroni Shopping Mall, at Chittagong Road. Narayangong.
15. KUSHIARA POWER COMPANY LTD.(KPCL)
16. New hope China project, Kadnia Jomunar par, Fulbaria, Maymansing
17. Basement Building –D, AIUB Permanent Campus project, Kurial, Kuratoli
18. Sheik Hasina National inst. Of Burn & Plastic surgery Dhaka-120,000sft
19. New Hope China Project, Kadnia , Jamunar par, Fulbaria, Maymansing 25000sft.
20. Fanchugong power plant,s- 45,000sqf
21. Malak Spinning Mills- 80000sqf.
22. Snotex Apparels, Snowtex Outerwear Ltd. B-65/3,Lakuria Para Dhulivita, ,Dhaka,Bangladesh , 75000 sqf.
23. Shamsuddin Meaha Associate- Dhaka cantonment Project-120000SQF
24. Dhaka Wasa- Genetor Division Mirpur-1, Bangla College 1500SQF
25. Dhaka City Corporation – Rasulpur Cuminity center, KamraingerChor.
26. Royal Embassy of KSA, Baridhara, Dhaka. 1,32,000 SFT
27. British Embassy (AJAX) DFID Project Baridhara. 3,500
28. Godrej security Equipment: 1200 SQF Gaint Business Tower – Uttra,-
29. Liuan Fung project, GBT Tower, Uttora, Dhaka. 1,800 SFT.
30. 10 Fanchugong fertilizer plant 3000sqm.
31. Hotel intercontinental, 1, Minto Road Dhaka.
32. CPDI CTG.
33. KSRM.
34. S Alam Hospital in Ctg -Momin road.
